

Ike the Communist

*Return with me now to those  
thrilling days of yesteryear...*

Hey! O-Man trumps genial  
Kansan in being Red, Moslem,

& born in Ragtop-Land. T-  
riple fuckin header! ...*when*

*from out of the past comes  
the thundering wingnuts.*

We know they can thunder. Reason  
Town Halls fabricated. But how

fast can they truly spin? Is  
there a university study?

Can't trust, of course, since  
they're all Communists too.
